CURE FOR CONSUMPTION!!! Seven Thousand Cases of Obstinate Palmonary Complaints Cured in one Year!

WISTAR'S BALSAM OF WILD CHERRY, The Great American Remedy for Lung Complaints. and all Affections of the Respiratory Organs. We do not wish to trifle with the lives or health of the afficted, and we sincerely pledge ourselves to make no assertions as to the virthes of this medicine, and to hold out no hope to suffering humanity

We ask the attention of the candid to a few considerations. Nature, in every part of her works, has left indelible marks of

The constitution of the animals and vegetables of the torrid, is each that they could not endure the cold of the frigid zone, and vice

In regard to disease and its cure, the adaptation is not less striking. The Moss of Iceland, the Wild Cherry and Pine of all Northern lattudes (and "Dr. Wistan's Balsam," is a compound chemical extract from these) have long been celebrated for complaints prevalent only in cold climates. Indeed the most distinguished medical men have averred that nature furnishes in every country antidotes for its own

Consumerton in its confirmed and incipient stages, Coughs, Asthma, Croup and Liver Complaint, form by far the most fatal class of disease known to our land. Yet even these may be cured by means of the uple yet powerful temedies (named above) and which are scattered, by a beneficent Providence, wherever these maladies prevail. 30 The case of Thomas Coress, of Haddonfield, N. J. is related by himself; and that all may know its Extine TRUTH, the statement

le sworn to before a Justice of the Peace. HADDONFIELD, N. J., April 20, 1843. On or near the 12th day of December, 1841, I was taken with a vithese advantages we hope to enrich its pages with Essays olent pain in the side near the Liver, which continued for about five and Communications, detailing facts in the experiments of days, and was followed by the breaking of an ulcer, or something in-Mesmerism; together with such information on kindred wardly, which relieved the pain a little, but caused me to throw up a sciences, suggested by the generalization of these facts, great quantity of offensive matter and also much blood. Being great which may lead to perfect the discovery of the principles of by alarmed at this, I applied to a physician, but he said be thought be ly alarmed at this, I applied to a physicion, but he said he thought he could do bet little for me except give me some Mercury pills, which I refused to take, feeling satisfied that they could do me no good; many other remedies were then procured by my wife and friends, and none did me any good, and the DISCHARGE OF SLOOD and CORRUPTION Still continued every few days and at last became so offensive I could matter; through whose agency both mental animation and scarcely breathe. I was also seized with a violent cough, which at The St. Louis Magnet will make its appearance as soon as and my disease continued in this way, still growing worse until Feba sufficient number of subscribers are obtained to warrant its | ruary, when all hope of my recovery was given up, and my friends going to press, which we hope will not be delayed longer all thought I would die with a gattoring consumerion.
